SALE ORDER & SUPPLEMENTAL INFORMATION

Sale order is catalog order! Any additional information or corrections to the digital sale catalog will be available online at www.Live-Ag.com

DESCRIPTIONS & FOOTNOTES

The W365 team has compiled the footnotes in this catalog to the best of their ability. Any printed or announced information is to be the best of the knowledge of the Wagyu365 team and Medicine Tree Ranch.

BREEDING AND CALF INFORMATION

Will be on a supplement sheet online at www.Live-Ag.com as of 6.23.26

REGISTRATIONS & TRANSFERS

As soon as the cattle are paid for, the cattle sold will be transferred (registrations) to the new owners through the offices of the American Wagyu Association within a reasonable time and the fee is paid for by the seller.

HEALTH PAPERS

All live cattle sold will be accompanied by an appropriate health paper for shipment. Additional health testing may be required from some locations. A veterinarian will be able to write any additional health work needed on any purchases from the Medicine Tree Ranch location. It will take some time to get that handled if there is additional work. So please be mindful of the time restraints when purchasing.

GUARANTEES OF CATTLE SELLING

This is a final and total dispersal sale. All the cattle registered thru the American Wagyu Association have a Fullblood number and have been DNA verified. Medicine Tree Ranch recommends each buyer run the cattle DNA again and verify results before using any sire and/or female in transplant. Medicine Tree Ranch has done the best job possible to represent the cattle to the Buyer, however, the lots are not selling with a guarantee. There is also no guarantee on the breeding info that is presented with each lot. Medicine Tree Ranch have listed what bulls they think they are bred too. On the cows that have calved and for the cows have yet to calve, the buyer can send in the DNA on those calves, but Medicine Tree Ranch cannot guarantee results.

Any of the bulls that are old enough will have been "SEMEN" and "TRICH" tested. The younger bulls have not been tested. There are no guarantees on any of the bulls. Medicine Tree Ranch recommends an independent test be performed before the buyer turns out the bull.
